

Sindhu B Hegde

 [sindhu-hegde.github.io](https://github.com/sindhu-hegde)  [Google Scholar](#)  sindhu@robots.ox.ac.uk
 +44 788 312 9860  Oxford, United Kingdom

RESEARCH INTERESTS

Computer Vision, Machine Learning, Video Understanding, Speech Processing, Multimodal Learning (Vision, Speech, Language)

EDUCATION

- | | |
|----------------|---|
| 2022 - Present | University of Oxford, UK
PhD, Advisor : Prof. Andrew Zisserman
2025 Google PhD Fellowship recipient |
| 2019 - 2021 | International Institute of Information Technology (IIIT), Hyderabad
M.S. by Research, Computer Science and Engineering, CGPA : 9.67/10
Advisors : Prof. C V Jawahar and Prof. Vinay Namboodiri |
| 2015 - 2019 | KLE Technological University, Hubli
BE, Computer Science and Engineering, CGPA : 9.8/10 (Gold medalist) |

NOTABLE PUBLICATIONS

- > [Sindhu Hegde](#), K R Prajwal, Andrew Zisserman, **Recognizing Co-speech Gestures in-the-Wild**, [European Conference in Computer Vision \(ECCV\)](#) 2026.
- > [Sindhu Hegde](#), K R Prajwal, Taein Kwon, Andrew Zisserman, **Understanding Co-speech Gestures in-the-wild**, [International Conference in Computer Vision \(ICCV\)](#) 2025 (Oral).
- > K R Prajwal*, [Sindhu Hegde*](#), Andrew Zisserman, **Scaling Multilingual Visual Speech Recognition**, [ICASSP](#) 2025 (Oral).
- > [Sindhu Hegde](#), Andrew Zisserman, **GestSync : Determining who is speaking without a talking head**, [BMVC](#) 2023 (Oral).
- > [Sindhu Hegde*](#), Rudrabha Mukhopadhyay*, C.V. Jawahar, Vinay P. Namboodiri, **Towards accurate lip-to-speech synthesis in-the-wild**, [ACM-MM](#) 2023.
- > [Sindhu Hegde*](#), Rudrabha Mukhopadhyay*, Vinay P. Namboodiri, C.V. Jawahar, **Extreme-scale Talking-Face Video Upsampling with Audio-Visual Priors**, [ACM-MM](#) 2022.
- > [Sindhu Hegde*](#), Prajwal K R*, Rudrabha Mukhopadhyay*, Vinay P. Namboodiri, C.V. Jawahar, **Visual Speech Enhancement Without A Real Visual Stream**, [WACV](#) 2021.
- > Parul Kapoor, Rudrabha Mukhopadhyay, [Sindhu Hegde](#), Vinay P. Namboodiri, C.V. Jawahar, **Towards Automatic Speech to Sign Language Generation**, [INTERSPEECH](#) 2021.

EXPERIENCE

- | | |
|-----------------------|---|
| Present
June 2025 | AI Scientist (part-time), RODE MICROPHONES, United Kingdom <ul style="list-style-type: none">> Lip-reading : Building state-of-the-art multilingual visual speech recognition systems. |
| Sept 2022
Oct 2021 | Lead Data Scientist, VERISK, India <ul style="list-style-type: none">> Image Forensics : Worked on advancing image forgery detection on insurance claims data.> Automatic Speech Recognition (ASR) : Worked on adapting ASR systems to telephonic speech. |

RESEARCH FOCUS

- > **Gesture Understanding** : Developing models & benchmarks for understanding co-speech gestures in unconstrained videos.
- > **Visual Speech Recognition** : Building robust multilingual lip-reading systems for real-world speech recognition.
- > **Human Interaction** : Extending VLMs for understanding social interactions, speaker dynamics, and human behavior in videos.

TECHNICAL AWARDS

Google PhD Fellowship	2025	Machine Perception
ICCV Travel Grant	2025	Conference grant
ICASSP Travel Grant	2025	Conference grant
ICVSS Sicily Selection	2023	Summer School

SKILLS

Programming :	Python, C, C++, Java
Frameworks :	PyTorch, Keras, TensorFlow
Libraries :	OpenCV, Librosa, NLTK
Courses :	Computer Vision, Big Data Analytics, NLP

VOLUNTARY SERVICES

Reviewer	CVPR, ECCV, ICCV, IJCV, CVIU, WACV, AAAI
Lab Coordinator	Co-organizer for lab events such as weekly happy hours and game nights at VGG
